

Banana Cream Pie Puppy Chow

Ingredients:

6 cups rice or corn chex cereal, divided in half
1 cup white chocolate
1 cup milk chocolate chips
1 1/2 cups powdered sugar
1 small box instant banana pudding mix
1 cup dark chocolate, roughly chopped
1 cup dehydrated banana chips

Directions:

In a large microwave safe bowl, melt white chocolate chips, stirring every 20 seconds until smooth. Add in half of cereal and lightly stir to evenly coat.

Add the banana pudding mix and 1/2 cup powdered sugar to the white chocolate covered cereal and lightly stir to completely cover. Spread in an even layer on a baking sheet lined with parchment to dry.

In a second large microwave safe bowl, melt milk chocolate stirring every 20 seconds until smooth. Add in remaining cereal, and repeat same process with powdered sugar, evenly coating all cereal.

Allow each to dry completely and then combine together with dark chocolate and banana chips.
