

# Easy Crockpot BBQ Chicken Sandwiches

## Ingredients:

1 recipe homemade bbq sauce  
2 lbs chicken breast, cubed  
1/2 cup chicken stock

hamburger buns, for serving

**Add chicken, bbq sauce and water to the base of crockpot.** Stir to combine.

**Cook on low for 8 hours.** When chicken is cooked, shred chicken with two forks, and give a good stir. Place lid back on slow cooker, and let the shredded chicken sit in the sauce for about 30 minutes.

**To serve,** use tongs, or a slotted spoon and put a big scoop of chicken on a hamburger bun. Add your favorite toppings like american cheese or coleslaw, or maybe just some more BBQ sauce and enjoy!
